

MORE PINKHAM CURES

Added to the Long List due to This Famous Remedy.

Oronogo, Mo.—"I was simply a nervous wreck. I could not walk across the floor without my heart fluttering and I could not even receive a letter. Every month I had such a bearing down sensation, as if the lower parts would fall out. Lydia E. Pinkham's Vegetable Compound has done my nerves a great deal of good and has also relieved the bearing down. I recommended it to some friends and two of them have been greatly benefited by it."—Mrs. MAE McKnight, Oronogo, Mo.

Another Grateful Woman.

St. Louis, Mo.—"I was bothered terribly with a female weakness and had backache, bearing down pains and pains in lower parts. I began taking Lydia E. Pinkham's Vegetable Compound regularly and used the Sensitive Wash and now I have no more troubles that way."—Mrs. AL. HENZOG, 6722 Prescott Ave., St. Louis, Mo.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periods, pains, backache, that bearing down feeling, indigestion, dizziness, and nervous prostration. It costs but a trifle to try it, and the result is worth millions to many suffering women.

County Convention of the W. C. T. U.

Held at Pawcatuck and Department Reports Showed Much Activity During Year—New London Awarded County Banner—Old Officers Re-elected.

The twenty-seventh annual convention of the New London County Woman's Christian Temperance union took place on Thursday, and the exercises were held at the Congregational church in Pawcatuck. The convention was called to order at 10:15 o'clock by the county president, Mrs. Addie Randall of Groton. Mrs. Briggs was appointed chairman of the credential committee and Mrs. Nash was appointed chairman of the press committee, after which the minutes of the last meeting were read by the secretary, Miss Mary Day of Colchester. A welcome was extended to the large number of visiting friends, in behalf of the Pawcatuck W. C. T. U., by Mrs. H. Maria Randall.

The report of the treasurer, Miss Harriet G. Cross of Norwich, showed that the expenses of the union during the past year figure up to \$122.89 and that the balance on hand was \$27.47.

In the reports given by the several superintendents, considerable activity along the lines of their work was shown, and much favorable progress reported. In speaking of the medal contest, Mrs. E. A. Cutler said that there had been eleven contests, where eight silver medals and three gold medals were awarded. A pin was also awarded in a reading contest. The report of Mrs. Mabel S. T. Miner on Scientific Temperance Instruction, and Mrs. S. Howard Mead's report on Medical Temperance gave accounts of seven meetings held by us many unions, and the fact was brought out that there was but one newspaper in the whole county that did not print anything that pertained to the liquor traffic in any way, especially in the form of favorable advertising.

More Work at the Fair.

Miss Harriet G. Cross spoke of the county fair work. The sum of \$12.32 totaled the receipts in this department, while \$12.87 represented the expenditure, leaving a balance of 55 cents. A discussion ensued regarding this particular branch, and it was finally voted that the ladies of the union would send aprons to be sold at the fair and in other ways to make this department self-supporting.

In the absence of Mrs. S. K. Luce, her report on the evangelistic work of the union was read by the secretary, Miss Mary Day. Miss Nellie Starr read a paper entitled Anti-Narcotic, which was followed by singing "Trusting Jesus, That is All." Mrs. Grace Johnson, who was to speak about the Sunday School, and C. S. Fenner, who was to report on the Franchise, were both absent and their papers were read by Miss Day. Particulars of the subject of a paper given by Mrs. Carrie B. Frazier.

FRANK EDWARD JOHNSON
GIVES ILLUSTRATED LECTURE.

Tells of His Experiences in Tunis on Different Occasions.

There was considerable interest in the illustrated lecture on Arab life in Tunisia by Frank Edward Johnson of this city at Trinity Congregational church, Gloucester, Mass., Wednesday evening. Since Mr. Johnson recently met with a serious accident by an accidental shooting of his hand, many inquiries were made as to whether this would interfere with the lecture, but the event took place as advertised. Although Mr. Johnson sustained a severe wound to his hand, he is rapidly improving.

It may not be generally known that Mr. Johnson has toured these peculiar Barbary states as probably no other man, having been both in Tunisia and Tripoli several times in search of subjects for his work as an artist. He has had the advantage of going into many places where few foreigners are allowed. This fact is illustrated by one incident in particular, which occurred in May last, when Mr. Johnson was arrested for pursuing his work in Tripoli, as told at the time.

Regarding this incident, the Despatch of Tunis of May 7, 1910, contains the following article: "An American tourist, Mr. Johnson, very well known in Tunis, where he has spent a long time, was yesterday arrested while sketching the minaret of the Grand Mosque of Tripoli. The police seized him and dragged him to the commissioner, and on the way beat him severely, being aided in this despicable business by an excited mob. The dragon of the American consulate, having tried to interfere, was also beaten. The United States consul, upon hearing of the incident, immediately went to the governor's residence and procured the release of his compatriot.

The governor general apologized for the incident and promised satisfaction. A great deal of excitement reigned in the city among the European population, where Mr. Johnson counted many friends. A few days later these police officers were publicly degraded from their rank in punishment for their maltreatment of Mr. Johnson.

As may be readily understood, the reason for this incident is that Tripoli of Barbary, which belongs to Turkey, has not been very friendly to foreigners and very few Americans dare to go there, although the country appears to them most inviting in subjects for their work. In Tunis, where Mr. Johnson remained so long, the French government insists upon good treatment.

The lecture was for the benefit of the Home Missionary department of the Women's association at that church. The great beauty and variety of the pictures, the many thrilling incidents in Mr. Johnson's career and the fact that he is now a resident of Gloucester and her people are privileged to see these valuable pictures before being exhibited elsewhere, united in producing a unique interest in the event and brought out a good attendance.

FRECKLES

Are in Full Bloom Now—But You Needn't Tolerate Them at All—How to Remove Quickly.

They are hideous things, those freckles, but easy to remove with Kintho (extra strength). It's astonishing how thoroughly Kintho does the work. It makes people write such letters as this from Mrs. May L. of Jamaica Plain, Mass.: "I thought I would be a failure, like all the rest I've tried, but no indeed! I had not used the whole jar when you could see the change. Now my face is free from freckles, which I could never say before."

Get a two-ounce package of Kintho (extra strength) at toilet goods counter of Lee & Osgood and see how quickly it will remove even the worst freckles. Get your money back if it fails.

The Loyal Temperance Legion.

Loyal Temperance Legion was the title of a paper by Mrs. J. J. Fields, and Soldiers and Sailors was the subject of Mrs. H. A. Randall's paper. Mrs. Ruth Nash spoke on the Press, and Miss Mary Day gave a report on the work of the flower committee. The number of bouquets given out by the union during the past year amounted to 1,443, the number of plants 144, and the number of flowers 1,443. The number of plants and a large number of glasses of jelly and preserves. Miss Mary Day gave the secretary's report.

Banner Awarded.

The county banner was awarded to the New London W. C. T. U. as they had gained 9 per cent. during the year. The presentation was made by the president, Mrs. H. Addie Randall, and in behalf of the New London union the banner was accepted by its president, Mrs. Constock. The roll call followed, and was answered with passing scriptural or by some of the primary Congressmen John A. Kellier was defeated for re-nomination by William F. Murphy, who is a member of Governor Draper's council and well spoken of by the press. Congressman Andrew J. Peters renominated in the Eleventh district. The republicans prefer ex-Alderman William D. Unlooked For Results.

There have been lively times in the Boston congressional districts, and some unlooked for results came out of the primaries. Congressman John A. Kellier was defeated for re-nomination by William F. Murphy, who is a member of Governor Draper's council and well spoken of by the press.

Afternoon Meeting.

The afternoon session was opened at 1:45 o'clock by a song, "Rescue the Perishing," which was followed by a devotional meeting led by Mrs. Georing of Niantic.

Helpful Suggestions was the subject of a very interesting talk by Mrs. C. B. Buell, who told of the harm being done by the moving pictures of today and by the common posters, and suggested remedies for this and other existing evils. Miss Adeline Denison, state treasurer, gave a account of the finances of the order, and she was followed by Mrs. Deborah K. Livingsstone, the Rhode Island state president, who was appointed last year as a delegate to attend the world's W. C. T. U. convention, which was held in Glasgow, Scotland. It was of the doing of this convention and the experience she met with abroad that Mrs. Livingsstone dwelt upon, and her address was listened to with a great deal of enjoyment by her large audience.

Officers Re-elected.

The election of officers resulted with the choice of the same ones that were selected a year ago: Mrs. H. Addie Randall of Groton, president; Miss Mary Day of Colchester, secretary; and Miss Harriet G. Cross of Norwich, treasurer. Mrs. E. A. Cutler was appointed as delegate to attend the national convention in Baltimore, which takes place in November, with Mrs. H. A. Randall as alternate.

STATE POLICE COMMISSIONERS MAKE ANNUAL REPORT.

Work Which Has Been Done in the State During the Year Ending June 30.

The annual report of the state police department has been submitted to Governor Weeks, the report being brief, outside his statistical part. It gives the work of the department for the year ended on June 30, 1910, and gives the result of the annual meeting of the commissioners for the year before, when Arthur L. Story of this city was re-elected assistant superintendent.

It is announced that 379 investigations were made during the period covered by the report and that prosecutions were brought in the following towns: Berlin, Bolton, Bridgeport, Bridgewater, Brooklyn, Canton, Chatham, Clinton, Columbia, Cromwell, Danbury, East Granby, East Hartford, East Lyme, Ellington, Fairfield, Fairfield, Glastonbury, Griswold, Granby, Hamden, Hampton, Hartford, Huntington, Killingly, Ledyard, Lyme, Manchester, Mansfield, Meriden, Milford, Montville, New Britain, New Canaan, New Haven, Newington, New London, Norwich, Orange, Plainfield, Plymouth, Pomfret, Portland, Putnam, Riddell, Seymour, Stafford, Stratford, Sterling, Thomaston, Thompson, Torrington, Wallingford, Waterford, Waterbury, West Hartford, Westbrook, Willington, Windham, Windsor and Woodbury.

Under the act safeguarding moving picture exhibitions 432 inspections were made of buildings and booths and 120 were approved. Two hundred and sixty-two operators were examined and 163 licensed. The total fees received from this branch of the work amounted to \$1.10.

The financial statement of the department is as follows: Amount received from state treasurer, \$31,011.19; amount paid salaries, \$13,632; traveling expenses, \$9,641; deputy sheriffs and other officers specially employed, \$6,168.81; office expenses, \$1,578.62; total, \$31,011.19; amount paid to state treasurer by the department, \$13,632; balance or payable to state in cases disposed of in superior court and court of common pleas, \$6,930; total, \$18,990.50. W. S. Allen of this city is a member of the state police commission.

OBITUARY.

Mrs. Henry Churchill Morgan.

Mrs. Augusta Parry Morgan, widow of Col. Henry C. Morgan, died at her home in Colchester Wednesday morning, aged 68 years. She was a daughter of the late Judge Edward Owen Parry of Pottsville, Pa., and was married to Colonel Morgan April 19, 1866. Colonel Morgan was a soldier in the civil war and received the title of colonel for his services. He was assistant quartermaster general of Connecticut for several years. During his occupancy of that office he and Mrs. Morgan lived for a while in Hartford. Mrs. Morgan was a member of salivary Episcopal church in Colchester and was active in a church work. She leaves three children, Edward Parry Morgan of New York, Mrs. Ruth Stedman of Garden City, L. I., and Mrs. Kate Bond of Colchester. There are three grandchildren. A son, Nathan Denison Morgan, died some time ago.

Noe Pelouquin.

Following an illness of less than three weeks' duration, Noe Pelouquin, son of Mr. and Mrs. Leander Pelouquin, of Baltic, passed away in New Bedford, Mass., where he has been working of late, early Wednesday evening. Mr. Pelouquin had been sick with typhoid fever and had undergone an operation for appendicitis, which, it is believed, was the cause of his death. His age was 19 years and 3 months. He is survived by his parents and by two brothers.

William J. Clarke.

The death of William J. Clarke occurred at his home in Hope Valley, R. I., Wednesday morning at 4:30 o'clock. Mr. Clarke was the son of William and Mary A. Clarke and was born in Whitman, Conn., October 6, 1849, being one of three sons, all of whom are now dead. March 22, 1871, he was united in marriage to Miss Matilda Main and to them was born one daughter, Mrs. Ambrose Taylor of Wakefield. Nearly all of the deceased's life had been passed in the vicinity of Hope Valley. Nearly eleven weeks ago Mr. Clarke, while engaged in

ing down a barn, was injured by having a portion of the building fall on him, and from that time until death came, he has been entirely helpless with the exception that he could move his right arm a very little.

PURE MILK IN SOUTH NORWALK

Health Board Has Worked with City's Dealers and Stamps Entire Supply O. K.

The South Norwalk board of health has issued a statement to the effect that the typhoid fever in South Norwalk is not caused by milk, says The Hour. One of the members of the board, South Norwalk, board stated to an Hour reporter this morning, that a majority of the members of the board met Sunday and discussed the matter and believe that it would be only in justice to the South Norwalk milk dealers that they deny the statement of the Norwalk official. According to the report, the milkmen of South Norwalk and the three of Norwalk, who deliver the lactical fluid in South Norwalk, have co-operated with the health board in its campaign for better and purer milk and the results in every instance have been remarkable. In regards to bacteria the milk consumed in South Norwalk is as perfect as it is possible for human ingenuity and carelessness to make it.

Unlooked For Results.

There have been lively times in the Boston congressional districts, and some unlooked for results came out of the primaries. Congressman John A. Kellier was defeated for re-nomination by William F. Murphy, who is a member of Governor Draper's council and well spoken of by the press. Congressman Andrew J. Peters renominated in the Eleventh district. The republicans prefer ex-Alderman William D. Cotton to Police Commissioner Stephen O'Meara for their candidate in

that district, and Mr. Peters can probably expect republican votes. The defeat of Congressman Joseph F. O'Connell in the Tenth district will help to recall his too vigorous part in the democratic state convention held in this city, and never to be forgotten. He now goes to the political scrap heap. With James M. Curley the democratic candidate, the best way out would be for the voters to elect J. Mitchell Galvin, the republican candidate. He came within four votes of knocking out O'Connell two years ago, and ought to be sure of winning now, if character counts as it should in that district.—Springfield Republican.

DON'T BE THIN

No Need of Being Scrawny, Weak and Emaciated.

Good healthy flesh can only be gained by the use of the proper food with thorough assimilation of the fat-giving elements. Nine people out of ten in order to weigh as much as they ought and be perfectly healthy, should use Samose, the great flesh-forming food. Weigh yourself before commencing to use these little tablets, and see how your weight increases. Samose has valuable flesh-forming and tissue building properties, and when it is assimilated with the food it causes the flesh-making elements to be retained and the weight is naturally increased.

The Lee & Osgood Co., the popular druggists, have sold in the last few weeks a great many packages of Samose, every one with their personal guarantee to refund the money if it did not give satisfaction, and have had but one person ask for the money back. Sent postpaid on receipt of price, 50c.
